

# INSPECTRON

THE VISIONARY COMPANY

## Digitalizing your inspection workflows

- ✓ Decrease "RO Duration" time
- ✓ Improve "Fix it Right the First Time" scores
- ✓ Fast, secure data transfer

| WiCollab®

| WiScope®

| WiTorch®

### ● Warranty & Recall

Obtain RO approval faster with immediate transfer of photo/video data.

### ● RO Diagnosis

Required for frequent repair diagnosis (leaks, misfires, cylinders, oil pans, wires, & more).

### ● Technical Assistance

Faster diagnosis by sharing live video feed from tools to subject matter experts.

### ● MPI / DVI / PDI

Eliminate personal phone use, utilize durable tools to complete inspections

Inspectron tools  
work with  
companion app,
